## A word from our Pastor:

Hello church,

I Hope this finds everyone in good spirits and ready for summer. We are continuing to follow the guidelines issued by the conference office as to the operation of the church facilities but we are remaining optimistic as to being able to open our facilities to more of an open schedule. We will be meeting with church leadership as to additional worship activities in the coming weeks. We want to remain faithful to our call as the body of Christ as to worship and service. We covet your prayers and your support as we work toward being faithful as partners of the body of Christ. Please don't hesitate to contact your church office as to any prayer requests or issues you need to share with us. Please remember we had rather receive several calls about an issues than not know about a concern because no one called.

Peace and blessings,

Pastor Don
